

# DEEP SWAMP CANOE FLOAT

Join our experienced naturalist for a half day canoe float through seldom explored areas of Reelfoot Lake. Observe old growth cypress forest, a heron rookery and an Eagle Nest as we leisurely paddle through the cypress swamp. Large fish swimming, ducks taking flight, and an occasional snake making an appearance add excitement to the trip. A variety of bird life such as songbirds, ducks, herons, owls, or an eagle usually show up to check out the canoeist.

Trips depart from Reelfoot Lake State Park's Visitor Center at 8:00 AM and 1:00 PM on weekends in March, April, and early May. Cost is \$16.00 if park canoe is used. Private canoes are no charge. We suggest you bring snacks, drinks, a change of clothes, a camera and binoculars in a waterproof, floatable container.

This is one of the most unique adventures offered in West Tennessee!
